STIP AMENDMENT 02S-004 NOTICE

SUMMARY

This amendment programs \$400,000 from Plumas County's Unprogrammed Share Balance in FY 2002-03 towards a \$3,360,000 project to perform bridge rehabilitation on two bridges.

RECOMMENDATION

The Plumas County Transportation Commission is requesting this amendment. The Department of Transportation (Department) has reviewed the amendment and found it to be consistent with the California Transportation Commission (Commission) adopted State Transportation Improvement Program (STIP) guidelines.

RESOLUTION

Resolved, that the California Transportation Commission (Commission) revise the 2002 State Transportation Improvement Program (STIP) at the end of the 30-day notice period as follows:

Adds:

BACKGROUND

This amendment programs \$400,000 from Plumas County's Unprogrammed Share Balance in FY 2002-03 towards a \$3,360,000 project to perform bridge rehabilitation on two bridges.

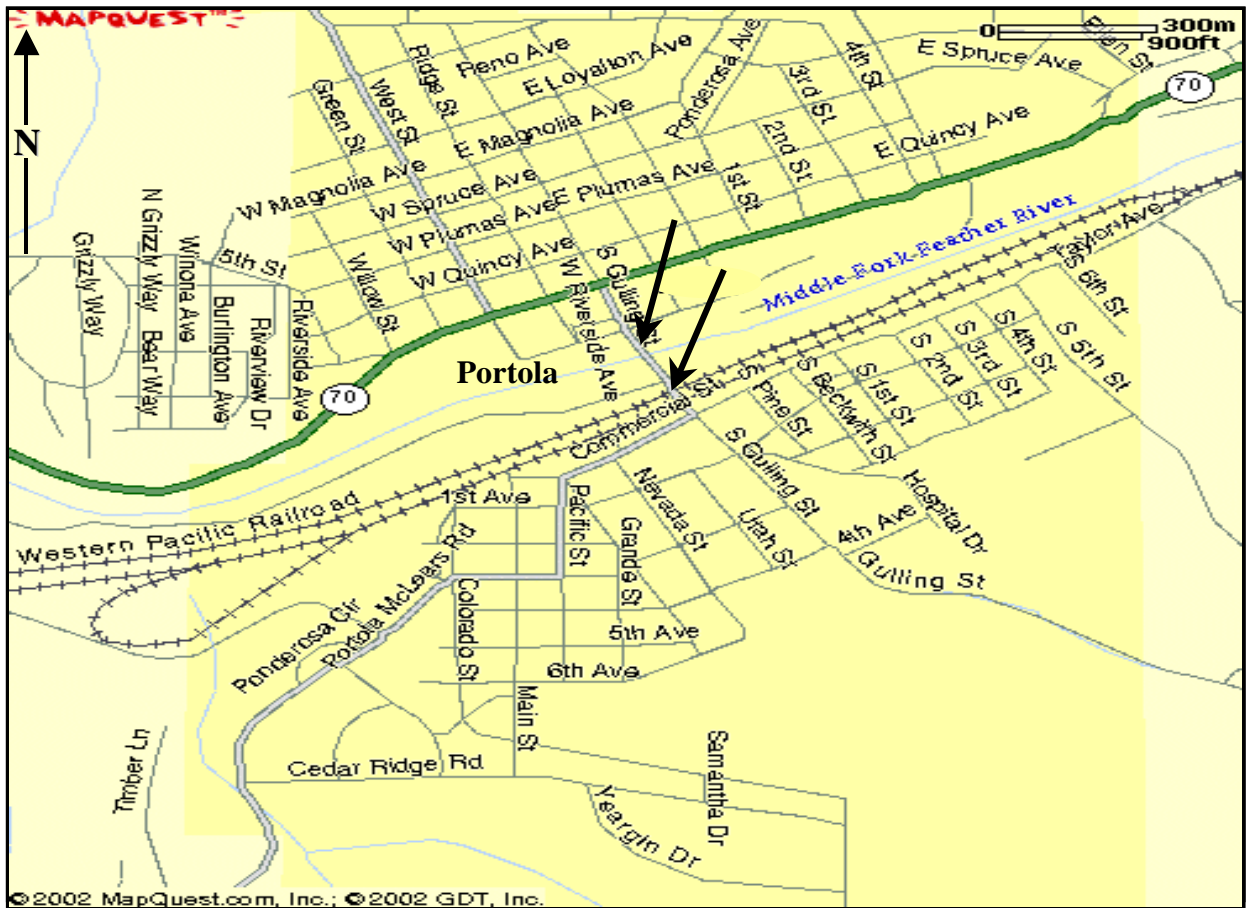

The Department has approved state only funding for the \$400,000, to match federal Highway Bridge Replacement and Rehabilitation (HBRR) funds.

The original project was to perform seismic retrofit and bridge railing rehabilitation on the Middle Fork Feather River Bridge and the Portola Overhead. Discovery of severe deck deterioration and delamination during construction requires complete replacement of the existing decks and bridge railings. Gulling Street connects the southeast region of Plumas County with State Highway 70.
